

Our five year strategy for 2018 to 2023

Our purpose

Improving health,
improving lives

Our vision

To provide outstanding
mental health and
learning disability
services as an employer
of choice.

Our ambition

We support our service
users and carers, our
staff and our community
to live healthy and
fulfilling lives.

Our values

Our objectives and priorities

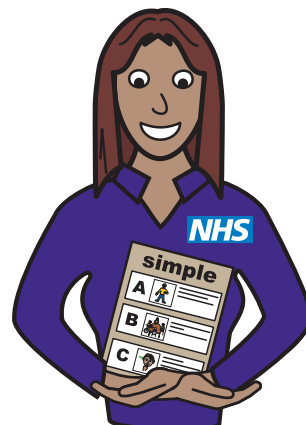

We have integrity

We deliver great care
that is high quality and
improves lives

We keep it simple

We provide a rewarding
and supportive place to
work.

We are caring

We use our resources
to deliver effective and
lasting services.

Our objectives over the next 5 years

We deliver great care that is high quality and improves lives.

1. Supporting people in recovery.
2. Supporting people to achieve what they agreed.
3. Supporting staff to work well together.

We provide a rewarding and supportive place to work.

1. Getting keeping and rewarding the best staff.
2. Making our values real.
3. Keeping our staff healthy and well.

We use our resources to deliver effective and lasting services

- Best use of new technology.
- Best use of our buildings.
- Best use of money.
