2.1 Governor Observers

The role of the governor at Board sub-committee meetings is to observe the work of the committee, rather than to be part of its work as they are not part of the formal membership of the committee. The governor observes Board sub-committee meetings in order to get a better understanding of the work of the Trust and to observe non-executive directors appropriately challenging the executive directors for the operational performance of the Trust.

At the meeting the governor observer will be required to declare any interest they may have in respect of any of the items to be discussed (even-though they are not formally part for the discussion). Governors will receive an information pack prior to the meeting. This will consist of the agenda, the minutes of the previous meeting and summaries of the business to be discussed. Governor observers will be invited to the meeting by the Corporate Governance Team. The chair of the meeting should ensure that there is an opportunity for governor observers to raise any points of clarification at the end of the meeting.

2.2 Associate Non-executive Directors

Associate Non-executive Directors will be invited to attend Board Sub-committee meetings as part of their induction. They will be in attendance at the meeting, in the capacity of observer only, unless invited to contribute by the Chair in circumstances that support the ANEDs development and understanding. This is so the accountability of the substantive members of the committee is maintained.

Associate NEDs will be invited to meetings by the Corporate Governance Team and will be sent copies of the meeting papers.

3 QUORACY

Number: The minimum number of members for a meeting to be quorate is three. This should comprise at least one non-executive director and one executive director. Attendees do not count towards this number. If the chair is unable to attend the meeting, and if otherwise quorate, the meeting will be chaired by the deputy chair.

Non-quorate meeting: Non-quorate meetings may go forward unless the chair decides otherwise. Any decisions made by the non-quorate meeting must be reviewed at the next quorate meeting.

4 MEETINGS OF THE GROUP

Meetings may be held face-to-face or remotely as is considered appropriate. Remote meetings may involve the use of the telephone and / or electronic conference facilities.

Frequency: The Quality Committee will meet monthly to transact its normal business.

Administrative support: The Corporate Governance Team will provide secretariat support to the committee.

Minutes: Draft minutes will be sent to the chair for review and approval within seven working days of the meeting.

Papers: Papers for the meeting will be distributed electronically by the Corporate Governance Team five working days prior to the meeting. Papers received after this date will only be included if decided upon by the chair.

5 AUTHORITY

Establishment: The Quality Committee is a sub-committee of the Board of Directors and has been formally established by the Board of Directors.

Powers: The Quality Committee is constituted as a standing committee of the Trust Board of Directors. The committee is authorised by the Board to investigate and seek assurance on any activity within its terms of reference.

In consultation with the Board of Directors, the committee is able to access independent professional advice and secure the attendance of persons outside the Trust with relevant experience and expertise if it considers this necessary.

7 Links with Other Committees

The Quality Committee does not have any sub-committees. It is linked to the Trustwide Clinical Governance Group as an assurance receiver. The Quality Committee provides a route of escalation for this group to the Board of Directors. Although this does not preclude any other group being asked to provide assurance. The committee has a duty to work with other Board sub-committees to ensure matters are not duplicated.

The Chair of the committee shall be responsible for:

- agreeing the agenda with the Director of Nursing, Quality and Professions and the Medical Director
- directing the conduct of the meeting ensuring it operates in accordance with the Trust's values
- giving direction to the Committee Secretariat

- ensuring the agenda is balanced and discussions are productive, and when they are not productive they are efficiently brought to a conclusion

- ensuring that governor observers are offered an opportunity at the end of the meeting to raise any points of clarification.

In the event of there being a dispute between any 'groups' in the hierarchy (in the case of this Board sub-committee, this would be between the Board and the Quality Committee and, in recognition of the nature of matrix working between the work of all Board sub-committees, the Quality Committee and any other Board sub-committee) it will be for the chairs of those groups to ensure there is an agreed process for resolution; that the dispute is reported back to the 'groups' concerned; and that when a resolution is proposed regarding the outcome this is also reported back to the 'groups' concerned for agreement.

The chair of the Quality Committee will also be the named Maternity Board Safety Champion, with the requirements of the role to be discharged through the committee.

9 REVIEW OF THE TERMS OF REFERENCE AND EFFECTIVENESS

The terms of reference shall be reviewed by the committee at least annually, and then presented to the Board of Directors for ratification. This will also occur throughout the year if a change has been made to them.
