

Free workshop for adults (18+) who live, work or study in Leeds.

# Interviewer skills training

## Patient & carer involvement

### 2 session workshop

The Interviewer skills workshop is an opportunity for people who would like to get involved, and support Leeds and York Partnership NHS foundation trust staff recruitment and interview process, as a interview panel member.

The workshop, delivered over 2 session will provide an insight into the trusts recruitment and selection process and explore some of the skills that make an interview process successful. The course is an opportunity for people to learn more about the process, and there is an invitation to practice being on an interview panel.

Refreshments and a light lunch will be provided on both days.

**Wednesday 19th & 26th June, 10:15am - 1pm Leeds Discovery Centre, LS10 1LB**  
*(light lunch served from 1pm)*

Leeds Discovery Centre is approximately 1 mile from Leeds City Centre, close to the Royal Armouries Museum and Leeds Dock. **Prior booking essential.**
