

Sexual Orientation Monitoring information sessions

Improve your knowledge on the backstory and process of Sexual Orientation Monitoring, whilst exploring any concerns about what this means for our services and service users.

The information sessions for staff will be delivered by staff from the LGBT Foundation who has worked in collaboration with NHS England in developing good practice guidance around Sexual Orientation Monitoring.

Monday 18 June, 1.30pm to 3.30pm, Classroom, St Mary's Hospital

Thursday 13 September, 1.30pm to 3.30pm, Ground Floor Meeting Room, South Wing, St Mary's House

There are **limited places per service** so please confirm your place by emailing: rainbow.lypft@nhs.net.
