

Date: Thursday 14 June **Time:** 1pm to 5pm **Venue:** West Yorkshire Playhouse

We want to hear about the experiences of young people (18-25) using Leeds Personality Disorder Services –
What has worked well? What could be better?

We also want to know how we can best work alongside young people to ensure they are involved in developing and improving services in the future.

Refreshments will be provided and travel expenses will be paid.

All attendees will receive a 'thank you' gift voucher for attending. There are 30 places available so you will need to book your space in advance.
