What do we do?

Carers Leeds offers free support and information to unpaid carers across Leeds.

A carer is someone who, without payment, provides support to a family member or friend, who, due to illness, disability, dementia, mental health issues or an addiction cannot manage without their help.

We can help carers with:

- How you are feeling
- Managing at home
- Taking a break
- Finance, grants and benefits
- Your rights at work
- Your health & wellbeing

How do we do it?

- One to one support
- Group support
- Someone to talk to
- News and events
- Advice & Information
- Training
- Signposting
- Social activities
